Rev. Comr in Mysore.

Bangalore.

Sir

I have the honor to submit, under article 552 of the Mysore Service Regulations for sanction and transmission to Comptroller for audit, the Travelling allowance bill of my office establishment for the month of December 1892, as the establishment was required to halt in one place for more than

than 10 days.

2. Article 565 of the Service Regulation does not admit of mileage being granted for establishment proceeding on jamabandi work, but such a restriction is laid down to be excepted in special cases and when such a course is absolutely needed. In the present instance the accountants were ordered to travel expeditiously from here to Malavalli - a distance of 29 miles. The Taluk comprises 250 villages and to scrutinize all these village accounts carefully it was considered absolutely necessary to adopt expeditious journeys for which mileage is charged. As a special case, I beg that the claim may be sanctioned under article 565 of the Mysore

Mysore Service Regulations, as otherwise, the allowances that will be allowed under the ordinary rules would not even meet the actual expenses incurred by the officials.

3. As for journey less than 20 miles, actual expenses admissible under article 561 (11) is charged and is not objectionable

I have the honour to be,

Sir,

Your most obedient Servant,

Dr. [illegible] Shiva Rao
